(2) The department may provide examination development services, consultation and technical assistance to other state agencies, federal agencies, counties, cities, villages, towns, national or regional organizations of state credentialing agencies, similar credentialing agencies in other states, national or regional accrediting associations, and nonprofit organizations. (7m) The department may promulgate rules that establish procedures for submitting an application for a credential or credential renewal by electronic transmission. Any rules promulgated under this subsection shall specify procedures for complying with any requirement that a fee be submitted with the application. The rules may also waive any requirement in chs. 440 to 480 that an application submitted to the department, an examining board or an affiliated credentialing board be executed, verified, signed, sworn or made under oath, notwithstanding ss. 440.26 (2) (b), 440.42 (2) (intro.), 440.91 (2) (intro.), 443.06 (1) (a), 443.10 (2) (a), 445.04 (2), 445.08 (4), 445.095 (1) (a), 448.05 (7), 450.09 (1) (a), 452.10 (1) and 480.08 (2m).

(9) (a) Subject to pars. (b) and (c), the department shall, biennially, determine each fee for an initial credential for which no examination is required, for a reciprocal credential, and for a credential renewal by doing all of the following:

2. Not later than January 31 of each odd-numbered year, adjusting for the succeeding fiscal biennium each fee for an initial credential for which an examination is not required, for a reciprocal credential, and, subject to s. 440.08 (2) (a), for a credential renewal, if an adjustment is necessary to reflect the approximate administrative and enforcement costs of the department that are attributable to the regulation of the particular occupation or business during the period in which the initial or reciprocal credential or credential renewal is in effect and, for purposes of each fee for a credential renewal, to reflect an estimate of any additional moneys available for the department's general program operations as a result of appropriation transfers that have been or are estimated to be made under s. 20.165 (1) (i) during the fiscal biennium in progress at the time of the deadline for an adjustment under this subdivision or during the fiscal biennium beginning on the July 1 immediately following the deadline for an adjustment under this subdivision.

(b) The renewal fee for an apprentice, journeyman, student or temporary credential is \$10. The renewal dates specified in par. (a) do not apply to apprentice, journeyman, student or temporary credentials.

(c) Except as provided in sub. (3), renewal applications shall include the applicable renewal fee as determined by the department under s. 440.03 (9) (a) or as specified in par. (b).

(d) If an applicant for credential renewal requests that the department process an application on an expedited basis, the applicant shall pay a service fee that is equal to the department's best estimate of the cost of processing the application on an expedited basis, including the cost of providing counter or other special handling services.

(3) LATE RENEWAL. (a) Except as provided in rules promulgated under par. (b), if the department does not receive an application to renew a credential before its renewal date, the holder of the credential may restore the credential by payment of the applicable renewal fee determined by the department under s. 440.03 (9) (a) and by payment of a late renewal fee of \$25.

(b) The department or the interested examining board or affiliated credentialing board, as appropriate, may promulgate rules requiring the holder of a credential who fails to renew the credential within 5 years after its renewal date to complete requirements in order to restore the credential, in addition to the applicable requirements for renewal established under chs. 440 to 480, that the department, examining board or affiliated credentialing board determines is necessary to protect the public health, safety or welfare. The rules may not require the holder to complete educational requirements or pass examinations that are more extensive than the educational or examination requirements that must be completed in order to obtain an initial credential from the department, the examining board or the affiliated credentialing board.

(4) DENIAL OF CREDENTIAL RENEWAL. (a) *Generally.* If the department or the interested examining board or affiliated credentialing board, as appropriate, determines that an applicant for renewal has failed to comply with sub. (2) (c) or (3) or with any other applicable requirement for renewal established under chs. 440 to 480 or that the denial of an application for renewal of a credential is necessary to protect the public health, safety or welfare, the department, examining board or affiliated credentialing board may summarily deny the application for renewal by mailing to the holder of the credential a notice of denial that includes a statement of the facts or conduct that warrant the denial and a notice that the holder may, within 30 days after the date on which the notice of denial is mailed, file a written request with the department to have the denial reviewed at a hearing before the department, if the department issued the credential, or before the examining board or affiliated credentialing board that issued the credential.

(b) *Applicability.* This subsection does not apply to a denial of a credential renewal under s. 440.12 or 440.13 (2) (b).

(b) “Personal identifier” means a social security number, telephone number, street name and number, electronic mail address, or post-office box number.

(2) If a form that the department or a credentialing board requires an individual to complete in order to apply for a credential or credential renewal or to obtain a product or service from the department or the credentialing board requires the individual to provide any of the individual’s personal identifiers, the form shall include a place for the individual to declare that the individual’s personal identifiers obtained by the department or the credentialing board from the information on the form may not be disclosed on any list that the department or the credentialing board furnishes to another person.

(3) If the department or a credentialing board requires an individual to provide, by telephone or other electronic means, any of the individual’s personal identifiers in order to apply for a credential or credential renewal or to obtain a product or service from the department or a credentialing board, the department or the credentialing board shall ask the individual at the time that the individual provides the information if the individual wants to declare that the individual’s personal identifiers obtained by telephone or other electronic means may not be disclosed on any list that the department or the credentialing board furnishes to another person.

A state agency that receives a list from the department or a credentialing board containing a personal identifier of any individual who has made a declaration under sub. (2), (3) or (4) may not disclose the personal identifier to any person other than a state agency, a law enforcement agency or a federal governmental agency.

History: 2011 a. 255.

440.19 Voluntary surrender of license, permit, or certificate. A person who holds a license, permit, or certificate of certification or registration issued under chs. 440 to 480 may voluntarily surrender that license, permit, or certificate of certification or registration. The department, examining board, affiliated credentialing board, or board of the department that issued the license, permit, or certificate of certification or registration may refuse to accept that surrender if a complaint has been filed or disciplinary proceeding has been commenced against the person under s. 440.20.

History: 2011 a. 146.

440.20 Disciplinary proceedings. (1) Any person may file a complaint before the department or any examining board, affiliated credentialing board or board in the department and request the department, examining board, affiliated credentialing board or board to commence disciplinary proceedings against any holder of a credential.

(3) The burden of proof in disciplinary proceedings before the department or any examining board, affiliated credentialing board or board in the department is a preponderance of the evidence.

(4) In addition to any grounds for discipline specified in chs. 440 to 480, the department or appropriate examining board, affiliated credentialing board or board in the department may reprimand the holder of a credential or deny, limit, suspend or revoke the credential of any person who intentionally violates s. 252.14 (2) or intentionally discloses the results of a blood test in violation of s. 252.15 (3m) (b) or (f) or (5m).

The constitutionality of sub. (3) is upheld. *Gandhi v. Medical Examining Board*, 168 Wis. 2d 299, 483 N.W.2d 295 (Ct. App. 1992).

A hearing is not required for a complaint filed under this section. 68 Atty. Gen. 30.

The "preponderance of the evidence" burden of proof under sub. (3) does not violate the due process rights of a licensee. 75 Atty. Gen. 76.

440.205 Administrative warnings. If the department or a board, examining board or affiliated credentialing board in the department determines during an investigation that there is evidence of misconduct by a credential holder, the department, board, examining board or affiliated credentialing board may close the investigation by issuing an administrative warning to the credential holder. The department or a board, examining board or affiliated credentialing board may issue an administrative warning under this section only if the department or board, examining board or affiliated credentialing board determines that no further action is warranted because the complaint involves a first occurrence of a minor violation and the issuance of an administrative warning adequately protects the public by putting the credential holder on notice that any subsequent violation may result in disciplinary action. If an administrative warning is issued, the credential holder may obtain a review of the administrative warning through a personal appearance before the department, board,

examining board or affiliated credentialing board that issued the administrative warning. Administrative warnings do not constitute an adjudication of guilt or the imposition of discipline and may not be used as evidence that the credential holder is guilty of the alleged misconduct. However, if a subsequent allegation of misconduct by the credential holder is received by the department or a board, examining board or affiliated credentialing board in the department, the matter relating to the issuance of the administrative warning may be reopened and disciplinary proceedings may be commenced on the matter, or the administrative warning may be used in any subsequent disciplinary proceeding as evidence that the credential holder had actual knowledge that the misconduct that was the basis for the administrative warning was contrary to law. The record that an administrative warning was issued shall be a public record. The contents of the administrative warning shall be private and confidential. The department shall promulgate rules establishing uniform procedures for the issuance and use of administrative warnings.

440.21 Enforcement of laws requiring credential.

(1) The department may conduct investigations, hold hearings and make findings as to whether a person has engaged in a practice or used a title without a credential required under chs. 440 to 480.

(2) If, after holding a public hearing, the department determines that a person has engaged in a practice or used a title without a credential required under chs. 440 to 480, the department may issue a special order enjoining the person from the continuation of the practice or use of the title.

(3) In lieu of holding a public hearing, if the department has reason to believe that a person has engaged in a practice or used a title without a credential required under chs. 440 to 480, the department may petition the circuit court for a temporary restraining order or an injunction as provided in ch. 813.

(4) (a) Notwithstanding any other provision of chs. 440 to 480 relating to fines, forfeitures, or imprisonment, any person who violates a special order issued under sub. (2) may be required to forfeit not more than \$10,000 for each offense. Each day of continued violation constitutes a separate offense. The attorney general or any district attorney may commence an action in the name of the state to recover a forfeiture under this paragraph.

(b) Notwithstanding any other provision of chs. 440 to 480 relating to fines, forfeitures, or imprisonment, any person who violates a temporary restraining order or an injunction issued by a court upon a petition under sub. (3) may be fined not less than \$25 nor more than \$5,000 or imprisoned for not more than one year in the county jail or both.

History: 1991 a. 39; 1993 a. 102; 2011 a. 146.

Cross-reference: See also ch. SPS 3, Wis. adm. code.

440.22 Assessment of costs. (1) In this section, "costs of the proceeding" means the compensation and reasonable expenses of hearing examiners and of prosecuting attorneys for the department, examining board or affiliated credentialing board, a reasonable disbursement for the service of process or other papers, amounts actually paid out for certified copies of records in any public office, postage, telephoning, adverse examinations and depositions and copies, expert witness fees, witness fees and expenses, compensation and reasonable expenses of experts and investigators, and compensation and expenses of a reporter for recording and transcribing testimony.

(2) In any disciplinary proceeding against a holder of a credential in which the department or an examining board, affiliated credentialing board or board in the department orders suspension, limitation or revocation of the credential or reprimands the holder, the department, examining board, affiliated credentialing board or board may, in addition to imposing discipline, assess all or part of the costs of the proceeding against the holder. Costs assessed under this subsection are payable to the department. Interest shall accrue on costs assessed under this subsection at a rate of 12% per

year beginning on the date that payment of the costs are due as ordered by the department, examining board, affiliated credentialing board or board. Upon the request of the department of safety and professional services, the department of justice may commence an action to recover costs assessed under this subsection and any accrued interest.

(3) In addition to any other discipline imposed, if the department, examining board, affiliated credentialing board or board assesses costs of the proceeding to the holder of the credential under sub. (2), the department, examining board, affiliated credentialing board or board may not restore, renew or otherwise issue any credential to the holder until the holder has made payment to the department under sub. (2) in the full amount assessed, together with any accrued interest.

History: 1987 a. 27; 1991 a. 39; 1993 a. 107; 1997 a. 27; 2011 a. 32.

The collection of costs assessed under this section may not be pursued in an independent action for a money judgment. The costs may be collected only as a condition of reinstatement of the disciplined practitioner's credentials. *State v. Dunn*, 213 Wis. 2d 363, 570 N.W.2d 614 (Ct. App. 1997), 97–0167.

440.23 Cancellation of credential; reinstatement.

(1) If the holder of a credential pays a fee required under s. 440.05 (1) or (6), 440.08, 444.03, or 444.11 by check or debit or credit card and the check is not paid by the financial institution upon which the check is drawn or if the demand for payment under the debit or credit card transaction is not paid by the financial institution upon which demand is made, the department may cancel the credential on or after the 60th day after the department receives the notice from the financial institution, subject to sub. (2).

(2) At least 20 days before canceling a credential, the department shall mail a notice to the holder of the credential that informs the holder that the check or demand for payment under the debit or credit card transaction was not paid by the financial institution and that the holder's credential may be canceled on the date determined under sub. (1) unless the holder does all of the following before that date:

(a) Pays the fee for which the unpaid check or demand for payment under the credit or debit card transaction was issued.

(b) If the fee paid under par. (a) is for renewal and the credential has expired, pays the applicable penalty for late renewal specified in s. 440.08 (3).

(c) Pays the charge for an unpaid draft established by the depository selection board under s. 20.905 (2).

(3) Nothing in sub. (1) or (2) prohibits the department from extending the date for cancellation to allow the holder additional time to comply with sub. (2) (a) to (c).

(4) A cancellation of a credential under this section completely terminates the credential and all rights, privileges and authority previously conferred by the credential.

(5) The department may reinstate a credential that has been canceled under this section only if the previous holder complies with sub. (2) (a) to (c) and pays a \$30 reinstatement fee.

440.25 Judicial review. The department may seek judicial review under ch. 227 of any final disciplinary decision of the medical examining board or affiliated credentialing board attached to the medical examining board. The department shall be represented in such review proceedings by an attorney within the department. Upon request of the medical examining board or the interested affiliated credentialing board, the attorney general may represent the board. If the attorney general declines to represent the board, the board may retain special counsel which shall be paid for out of the appropriation under s. 20.165 (1) (hg).

2. Pays the initial credential fee determined by the department under s. 440.03 (9) (a).

4. Meets any other reasonable requirements established by the department by rule to determine fitness to sell cemetery merchandise or an undeveloped space under a preneed sales contract. The rules may not require applicants to meet minimum education, experience or prior employment requirements or to pass any examination.

(bm) If a cemetery authority that is licensed under this subsection notifies the board that it proposes to take an action specified in s. 157.08 (2) (b) and the board does not object to the action under s. 157.08 (2) (b), the board shall revoke the license and require the cemetery authority to reapply for a license under this subsection.

(c) Renewal applications shall be submitted to the department on a form provided by the department on or before the applicable renewal date specified under s. 440.08 (2) (a) and shall include the applicable renewal fee determined by the department under s. 440.03 (9) (a).

(e) Nothing in this subsection requires an individual who is licensed as a cemetery salesperson under s. 440.91 (2) to be licensed under this subsection if the individual does not conduct or solicit any sale under a preneed sales contract.

(2) PRENEED SALES CONTRACTS. (a) A preneed sales contract for the sale of cemetery merchandise shall provide for the delivery of cemetery merchandise in one of the following ways:

2. By affixing the cemetery merchandise to the cemetery lot or mausoleum.
3. By storing the cemetery merchandise in a warehouse that is located on the property of the preneed seller if the preneed seller insures the cemetery merchandise and the preneed sales contract requires the preneed seller to ultimately affix the cemetery merchandise to the cemetery lot or mausoleum without additional charge.

3g. By storing the cemetery merchandise anywhere on the property of the preneed seller if the property of the preneed seller is located in this state, the preneed seller insures the cemetery merchandise and the preneed sales contract requires the preneed seller to ultimately affix the cemetery merchandise to a cemetery lot, to

the outside of or the grounds surrounding a mausoleum or to any other outdoor location without additional charge.

4. By having the cemetery merchandise stored in a warehouse that is not located on the property of the preneed seller if the warehouse has agreed to ship the cemetery merchandise to the preneed seller, purchaser or beneficiary named in the preneed sales contract without additional charge to the purchaser and the preneed sales contract requires that the cemetery merchandise ultimately be affixed to the cemetery lot or mausoleum without additional charge. If the cemetery merchandise is delivered under this subdivision, all of the following apply:

a. At the time that the preneed sales contract is entered into, the preneed seller shall provide the purchaser with the name, address and telephone number of the warehouse and inform the purchaser that the warehouse is approved by the board.

b. If the name, address, telephone number or approval status of the warehouse changes before the cemetery merchandise is delivered, the preneed seller or warehouse shall notify the purchaser in writing of each change within 30 days after the change.

c. The preneed sales contract shall provide for the cemetery merchandise to be delivered within 30 days after the purchaser or beneficiary requests the preneed seller or warehouse to deliver the cemetery merchandise and shall contain the procedure and any requirements for making the request.

(am) If a preneed sales contract for the sale of cemetery merchandise requires the preneed seller to ultimately affix the cemetery merchandise to a cemetery lot, mausoleum or other location but the purchaser has not informed the preneed seller of the location where the cemetery merchandise is to be affixed and the location where the cemetery merchandise is to be affixed is not specified in the preneed sales contract, the preneed sales contract may provide that the preneed seller may charge the purchaser an additional fee at the time that the cemetery merchandise is affixed not to exceed the additional costs to the preneed seller that are necessitated by the purchaser's choice of location.

(b) If a preneed sales contract does not require the preneed seller to deliver cemetery merchandise by one of the methods under par. (a), the preneed seller shall deliver the cemetery merchandise under par. (a) 2.

(c) Except as provided in par. (cm), a preneed sales contract shall provide that if the purchaser voids the preneed sales contract at any time within 10 days after the date of the initial payment the preneed seller shall, within 30 days after the date on which the preneed sales contract is voided, refund all money paid by the purchaser for cemetery merchandise that has not been supplied or delivered and for the mausoleum space.

(cm) If a preneed sales contract for the sale of cemetery merchandise requires the preneed seller to physically alter any cemetery merchandise, the preneed sales contract shall provide that if the purchaser voids the preneed sales contract at any time before the preneed seller has physically altered the cemetery merchandise in a manner or to a degree that makes the fair market value of the cemetery merchandise to the general public lower than the sale price of the cemetery merchandise under the preneed sales contract or within 10 days after the date of the initial payment, whichever occurs first, the preneed seller shall, within 30 days after the date on which the preneed sales contract is voided, refund all money paid by the purchaser for cemetery merchandise that has not been supplied or delivered.

(d) A preneed seller may not sell any undeveloped space unless the plans for the construction of the mausoleum have been submitted to the department of safety and professional services for approval under s. 157.12 (2) (a) and the preneed sales contract includes the following language in not less than 10-point boldface type: "THE PLANS FOR CONSTRUCTING THE MAUSOLEUM SPACE HAVE BEEN SUBMITTED TO THE DEPARTMENT OF SAFETY AND PROFESSIONAL SERVICES FOR APPROVAL. THE SELLER IS RESPONSIBLE FOR ALL

COSTS REQUIRED TO OBTAIN APPROVAL OF THE PLANS BY THE DEPARTMENT OF SAFETY AND PROFESSIONAL SERVICES, COMPLETE THE CONSTRUCTION, AND OBTAIN CERTIFICATION OF THE CONSTRUCTION BY THE DEPARTMENT OF SAFETY AND PROFESSIONAL SERVICES.”

(e) A preneed sales contract for the sale of an undeveloped space shall provide that the purchaser may void the preneed sales contract if any of the following conditions applies:

1. The plans for constructing the mausoleum are not approved under s. 157.12 (2) (a).
2. The construction of the mausoleum does not begin within 3 years after the date of the sale.
3. If the mausoleum is a public mausoleum, the construction of the mausoleum is not certified under s. 157.12 (2) (b) within 6 years after the date of the sale.

(f) If a preneed sales contract is voided under par. (e), the preneed seller shall, within 30 days after the date on which the preneed sales contract is voided, refund all money paid by the purchaser, together with interest calculated at the legal rate of interest as provided under s. 138.04.

(g) A preneed seller may include in a preneed sales contract provisions that do any of the following:

1. Place restrictions on the right of the purchaser to assign his or her interest in any undelivered cemetery merchandise or undeveloped space to any other person, but only if such restrictions are consistent with regulations, established by the cemetery authority of the cemetery in which the cemetery merchandise will ultimately be affixed or in which the undeveloped space is located, that specify who may or may not be buried in the cemetery.
2. Require the purchaser to notify the preneed seller that the purchaser has assigned his or her interest in any undelivered cemetery merchandise or undeveloped space to any other person within a reasonable period of time after the interest has been assigned.

(h) A provision in a preneed sales contract that purports to waive or is in conflict with any part of this section is void.

(i) If a preneed sales contract includes provisions for the sale of cemetery merchandise or an undeveloped space that is subject to the trusting requirements under sub. (3) (a) and (b) and for the sale of other goods or services that are not subject to the trusting requirements under sub. (3) (a) and (b), the sale price of the goods or services that are not subject to the trusting requirements may not be inflated for the purpose of allocating a lower sale price to the cemetery merchandise or undeveloped space that is subject to the trusting requirements.

(j) A preneed sales contract shall be in writing. The preneed seller shall provide the purchaser with a copy of the preneed sales contract at the time that the preneed sales contract is entered into. A provision in a written preneed sales contract that limits the terms of the transaction to those included in the written preneed sales contract and that disclaims any oral agreements pertaining to the transaction creates a rebuttable presumption that no oral preneed sales contract pertaining to the transaction exists. A preneed sales contract that is not in writing may not be voided by the preneed seller, but may be voided by the purchaser at any time before all of the cemetery merchandise purchased has been delivered, before the plans for constructing the mausoleum have been approved under s. 157.12 (2) (a) or, if the mausoleum is a public mausoleum, before the construction of the mausoleum has been certified under s. 157.12 (2) (b). If a preneed sales contract is voided under this paragraph, the preneed seller shall, within 30 days after the date on which the preneed sales contract is voided, refund all money paid by the purchaser, together with interest calculated at the legal rate of interest as provided under s. 138.04.

(k) A preneed sales contract shall include the following language in not less than 10–point boldface type: “SECTION 440.92 (2) OF THE WISCONSIN STATUTES SPECIFIES THE RIGHTS OF THE PURCHASER UNDER THIS CONTRACT.

DEPENDING ON THE CIRCUMSTANCES, THESE MAY INCLUDE THE RIGHT TO VOID THE CONTRACT AND RECEIVE A REFUND OR THE RIGHT TO ASSIGN AN INTEREST IN THE CONTRACT TO ANOTHER PERSON.”

(3) DEPOSITS IN PRENEED TRUST FUND AND CARE FUND. (a) A preneed seller shall deposit into a preneed trust fund an amount equal to at least 40% of each payment of principal that is received from the sale of cemetery merchandise under a preneed sales contract, or the wholesale cost ratio for the cemetery merchandise multiplied by the amount of the payment of principal that is received, whichever is greater. In addition to the amount required to be deposited under this paragraph for the sale of cemetery merchandise and except as provided in par. (c), if a preneed seller receives payment for the sale of an undeveloped space under a preneed sales contract, the preneed seller shall deposit a percentage of each payment of principal that is received from the sale of the undeveloped space into a preneed trust fund, determined as follows:

1. If the actual cost to the preneed seller of constructing the undeveloped space in accordance with construction plans approved under s. 157.12 (2) (a) has been determined by a registered architect or engineer and accepted in a written construction agreement by both the preneed seller and the person who has agreed to construct the mausoleum, the minimum percentage of each payment of principal that must be deposited into the preneed trust fund is the percentage equal to the wholesale cost ratio for the undeveloped space. In this subdivision, “registered architect or engineer” means a person who is registered as an architect or engineer under ch. 443.

2. If the cost to the preneed seller of constructing the undeveloped space has not been determined as provided in subd. 1., the preneed seller shall deposit at least 40% of each payment of principal into the preneed trust fund.

(b) The preneed seller shall make the deposits required under par. (a) within 30 business days after the last day of the month in which each payment is received. Preneed trust funds shall be deposited and invested as provided in s. 157.19.

(c) A preneed seller is not required to make the deposits required under par. (a) 1. and 2. if any of the following applies:

1. The mausoleum is certified under s. 157.12 (2) (b) within 30 business days after the payment is received.
2. The undeveloped space is located in a mausoleum or project of mausoleums in which at least one mausoleum space was sold before November 1, 1991. In this subdivision, “project of mausoleums” means a group of mausoleums that have been or are intended to be built and arranged in a cemetery according to a single construction plan approved under s. 157.12 (2) (a).

3. The preneed seller files with the department a bond furnished by a surety company authorized to do business in this state or files with the department and maintains an irrevocable letter of credit from a financial institution and the amount of the bond or letter of credit is sufficient to secure the cost to the cemetery authority of constructing the mausoleum.

(d) If payments are received under a preneed sales contract for an undeveloped space, the preneed seller shall make deposits into the care fund required under s. 157.12 (3) in addition to any deposits required under par. (a).

(4) EXCEPTIONS TO REGISTRATION REQUIREMENT. (a) Any person who sells or solicits the sale of cemetery merchandise under a preneed sales contract is not required to be licensed under sub. (1) and the requirements of sub. (3) (a) and (b) do not apply to the sale if all payments received under the preneed sales contract are trusted as required under s. 445.125 (1) (a) 1. or if all of the following conditions are met:

1. The preneed seller guarantees that the cemetery merchandise will be delivered not more than 180 days after the date of the sale.
2. The cemetery merchandise is delivered or the preneed sales contract is voided not more than 180 days after the date of the sale.

(b) If any preneed seller who is not licensed under sub. (1) accepts a payment under a preneed sales contract and the merchandise is not delivered within 180 days after the date of the sale, the preneed seller shall immediately notify the purchaser that the purchaser is entitled to a refund of all money paid by the purchaser, together with interest calculated at the legal rate of interest as provided under s. 138.04, at any time before the merchandise is delivered.

(5) USE OF PRENEED TRUST FUNDS TO COVER COSTS OF CONSTRUCTION OR PARTIAL PERFORMANCE. (a) Before the construction of a mausoleum for which a preneed trust fund has been established is certified under s. 157.12 (2) (b), the trustee of the preneed trust fund shall, upon receipt of a written request for the release of a specified amount of the funds from the preneed seller and the person who is constructing the mausoleum, release the specified amount of the funds, but only if the request is accompanied by a sworn statement, signed by the preneed seller and the person who is constructing the mausoleum, certifying that the specified amount does not exceed the amount charged to the preneed seller by the person who is constructing the mausoleum for labor that has actually been performed and materials that have actually been used in the construction of the mausoleum, and does not include any cost for which preneed trust funds have been previously released under this paragraph.

(b) Before all of the terms of a preneed sales contract for the sale of cemetery merchandise are fulfilled, the trustee of the preneed trust fund shall, upon receipt of a written request for the release of a specified amount of the funds from the preneed seller, release the specified amount of the funds, but only if the request is accompanied by a sworn statement, signed by the preneed seller, certifying that the specified amount does not exceed the actual cost to the preneed seller for any cemetery merchandise that has actually been supplied or delivered and for any cemetery services that have actually been performed, and does not include any cost for which preneed trust funds have been previously released under this paragraph.

(6) REPORTING; RECORD KEEPING; AUDITS. (a) Every preneed seller licensed under sub. (1) shall file an annual report with the board. The report shall be made on a form prescribed and furnished by the board. The report shall be made on a calendar-year basis unless the board, by rule, provides for other reporting periods. The report is due on or before the 60th day after the last day of the reporting period.

(b) The preneed seller shall include all of the following in the annual report under par. (a):

1. If the preneed seller is a corporation that is required to file a report under s. 180.1622 or 181.1622, a copy of that report and the name, residence address and business address of each shareholder who beneficially owns, holds or has the power to vote 5% or more of any class of securities issued by the corporation.

2. An accounting of amounts deposited in, amounts withdrawn from, income accruing to and the balance at the close of the reporting period of each preneed trust fund for which the preneed seller is the trustee.

(c) A preneed seller who is the trustee of any trust fund under s. 445.125 (1) shall include in the report required under par. (a) an accounting of amounts deposited in, amounts withdrawn from, income accruing to and the balance at the close of the reporting period of such trust funds.

(d) All records described under pars. (b) 2. and (c) and maintained by the board are confidential and are not available for inspection or copying under s. 19.35 (1). Examinations shall be held at least twice annually at times and places designated by the board, and at least 30 days' public notice shall be given of each examination. Examinations may also be held at other times and places with or without public notice as directed by the examining council. The examining council may also proctor an examination of another state for the convenience of a candidate and shall charge such fee therefor as the department fixes to cover the actual cost of the services rendered.

(3) LICENSING. (a) On complying with this subchapter relating to applicants for licensure as licensed practical nurses, and passing an examination, the applicant shall receive a license as a licensed practical nurse. The holder of the license is a "licensed practical nurse" and may append the letters "L.P.N." to his or her name. nurse in another state or territory or province of Canada if the person's general education, training, prior practice and other qualifications, in the opinion of the board, are at least comparable to those of this state for licensed practical nurses and current licensing or renewal. The fee for licensing without examination is specified in s. 440.05 (2).

(e) The board may grant a temporary permit to a practical nurse who has graduated from an accredited school but is not licensed in this state, upon payment of the fee specified in s. 440.05 (6), to practice for compensation until the practical nurse qualifies for licensure. SUBCHAPTER II

NURSE LICENSURE COMPACT

441.50 Nurse licensure compact. (1) ARTICLE I — FINDINGS AND DECLARATION OF PURPOSE. (a) The party states find all of the following:

1. That the health and safety of the public are affected by the degree of compliance with and the effectiveness of enforcement activities related to state nurse licensure laws.

2. That violations of nurse licensure and other laws regulating the practice of nursing may result in injury or harm to the public.

3. That the expanded mobility of nurses and the use of advanced communication technologies as part of our nation’s health care delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation.

4. That new practice modalities and technology make compliance with individual state nurse licensure laws difficult and complex.

5. That the current system of duplicative licensure for nurses practicing in multiple states is cumbersome and redundant to both nurses and states.

(b) The general purposes of this compact are as follows:

1. To facilitate the states’ responsibility to protect the public’s health and safety.

2. To ensure and encourage the cooperation of party states in the areas of nurse licensure and regulation.

3. To facilitate the exchange of information between party states in the areas of nurse regulation, investigation and adverse actions.

4. To promote compliance with the laws governing the practice of nursing in each jurisdiction.

5. To invest all party states with the authority to hold a nurse accountable for meeting all state practice laws in the state in which the patient is located at the time care is rendered through the mutual recognition of party state licenses.

(2) ARTICLE II — DEFINITIONS. As used in this compact:

(a) “Adverse action” means a home or remote state action.

(b) “Alternative program” means a voluntary, nondisciplinary monitoring program approved by a nurse licensing board.

(c) “Coordinated licensure information system” means an integrated process for collecting, storing and sharing information on nurse licensure and enforcement activities related to nurse licensure laws, which is administered by a nonprofit organization composed of and controlled by state nurse licensing boards.

(d) “Current significant investigative information” means any of the following:

1. Investigative information that a licensing board, after a preliminary inquiry that includes notification and an opportunity for the nurse to respond if required by state law, has reason to believe is not groundless and, if proved true, would indicate more than a minor infraction.

2. Investigative information that indicates that the nurse represents an immediate threat to public health and safety regardless of whether the nurse has been notified and had an opportunity to respond.

(e) “Home state” means the party state that is the nurse’s primary state of residence.

(f) “Home state action” means any administrative, civil, equitable or criminal action permitted by the home state’s laws that are imposed on a nurse by the home state’s licensing board or other authority including actions against an individual’s license, such as revocation, suspension, probation or any other action that affects a nurse’s authorization to practice.

(g) “Licensing board” means a party state’s regulatory body responsible for issuing nurse licenses.

(h) “Multistate licensure privilege” means current, official authority from a remote state permitting the practice of nursing as either a registered nurse or a licensed practical/vocational nurse in such party state. All party states have the authority, in accordance with existing state due process law, to take actions against the nurse’s privilege, such as revocation, suspension, probation or any other action that affects a nurse’s authorization to practice.

(i) “Nurse” means a registered nurse or licensed practical/vocational nurse, as those terms are defined by each party’s state practice laws.

(j) “Party state” means any state that has adopted this compact.

(k) “Remote state” means a party state, other than the home state, where the patient is located at the time nursing care is provided, or, in the case of the practice of nursing not involving a patient, in such party state where the recipient of nursing practice is located.

(L) “Remote state action” means any of the following:

1. Any administrative, civil, equitable or criminal action permitted by a remote state's laws that are imposed on a nurse by the remote state's licensing board or other authority including actions against an individual's multistate licensure privilege to practice in the remote state.

2. Cease and desist and other injunctive or equitable orders issued by remote states or the licensing boards thereof.

(m) "State" means a state, territory, or possession of the United States, the District of Columbia or the Commonwealth of Puerto Rico.

(n) "State practice laws" means those individual party state's laws and regulations that govern the practice of nursing, define the scope of nursing practice, and create the methods and grounds for imposing discipline. "State practice laws" does not include the initial qualifications for licensure or requirements necessary to obtain and retain a license, except for qualifications or requirements of the home state.

(3) ARTICLE III — GENERAL PROVISIONS AND JURISDICTION. (a) A license to practice registered nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a multistate licensure privilege to practice as a registered nurse in such party state. A license to practice licensed practical/vocational nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a multistate licensure privilege to practice as a licensed practical/vocational nurse in such party state. In order to obtain or retain a license, an applicant must meet the home state's qualifications for licensure and license renewal as well as all other applicable state laws.

(b) Party states may, in accordance with state due process laws, limit or revoke the multistate licensure privilege of any nurse to practice in their state and may take any other actions under their applicable state laws necessary to protect the health and safety of their citizens. If a party state takes such action, it shall promptly notify the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the home state of any such actions by remote states.

(c) Every nurse practicing in a party state must comply with the state practice laws of the state in which the patient is located at the time care is rendered. In addition, the practice of nursing is not limited to patient care, but shall include all nursing practice as defined by the state practice laws of a party state. The practice of nursing will subject a nurse to the jurisdiction of the nurse licensing board and the courts, as well as the laws, in that party state.

(d) This compact does not affect additional requirements imposed by states for advanced practice registered nursing. However, a multistate licensure privilege to practice registered nursing granted by a party state shall be recognized by other party states as a license to practice registered nursing if one is required by state law as a precondition for qualifying for advanced practice registered nurse authorization.

(e) Individuals not residing in a party state shall continue to be able to apply for nurse licensure as provided for under the laws of each party state. However, the license granted to these individuals will not be recognized as granting the privilege to practice nursing in any other party state unless explicitly agreed to by that party state.

(4) ARTICLE IV — APPLICATIONS FOR LICENSURE IN A PARTY STATE. (a) Upon application for a license, the licensing board in a party state shall ascertain, through the coordinated licensure information system, whether the applicant has ever held, or is the holder of, a license issued by any other state, whether there are any restrictions on the multistate licensure privilege, and whether any other adverse action by any state has been taken against the license.

(b) A nurse in a party state shall hold licensure in only one party state at a time, issued by the home state.

(c) A nurse who intends to change his or her primary state of residence may apply for licensure in the new home state in advance of such change. However, new licenses will not be issued by a party state until after a nurse provides evidence of the change in his or her primary state of residence satisfactory to the new home state's licensing board.

(d) 1. When a nurse changes his or her primary state of residence by moving between two party states, and obtains a license from the new home state, the license from the former home state is no longer valid.

2. When a nurse changes his or her primary state of residence by moving from a nonparty state to a party state, and obtains a license from the new home state, the individual state license issued by the nonparty state is not affected and will remain in full force if so provided by the laws of the nonparty state.

3. When a nurse changes his or her primary state of residence by moving from a party state to a nonparty state, the license issued by the prior home state converts to an individual state license, valid only in the former home state, without the multistate licensure privilege to practice in other party states.

(5) ARTICLE V — ADVERSE ACTIONS. In addition to the general provisions described in sub. (3), the following provisions apply:

(a) The licensing board of a remote state shall promptly report to the administrator of the coordinated licensure information system any remote state actions including the factual and legal basis for such action, if known. The licensing board of a remote state shall also promptly report any significant current investigative information yet to result in a remote state action. The administrator of the coordinated licensure information system shall promptly notify the home state of any such reports.

(b) The licensing board of a party state shall have the authority to complete any pending investigations for a nurse who changes his or her primary state of residence during the course of such investigations. It shall also have the authority to take appropriate actions, and shall promptly report the conclusions of such investigations to the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the new home state of any such actions.

(c) A remote state may take adverse action affecting the multistate licensure privilege to practice within that party state. However, only the home state shall have the power to impose adverse action against the license issued by the home state.

(d) For purposes of imposing adverse action, the licensing board of the home state shall give the same priority and effect to reported conduct received from a remote state as it would if such conduct had occurred within the home state. In so doing, it shall apply its own state laws to determine appropriate action.

(e) The home state may take adverse action based on the factual findings of the remote state, so long as each state follows its own procedures for imposing such adverse action.

(f) Nothing in this compact shall override a party state's decision that participation in an alternative program may be used in lieu of licensure action and that such participation shall remain nonpublic if required by the party state's laws. Party states must require nurses who enter any alternative programs to agree not to practice in any other party state during the term of the alternative program without prior authorization from such other party state.

(6) ARTICLE VI — ADDITIONAL AUTHORITIES INVESTED IN PARTY STATE NURSE LICENSING BOARDS. Notwithstanding any other powers, party state nurse licensing boards shall have the authority to do any of the following:

(a) If otherwise permitted by state law, recover from the affected nurse the costs of investigations and disposition of cases resulting from any adverse action taken against that nurse.

(b) Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses, and the production of evidence. Subpoenas issued by a nurse licensing board

in a party state for the attendance and testimony of witnesses, or the production of evidence from another party state, or both, shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state where the witnesses or evidence, or both, are located.

(c) Issue cease and desist orders to limit or revoke a nurse's authority to practice in their state.

(d) Promulgate uniform rules and regulations as provided for in sub. (8) (c).

(7) ARTICLE VII — COORDINATED LICENSURE INFORMATION SYSTEM. (a) All party states shall participate in a cooperative effort to create a coordinated database of all licensed registered nurses and licensed practical/vocational nurses. This system will include information on the licensure and disciplinary history of each nurse, as contributed by party states, to assist in the coordination of nurse licensure and enforcement efforts.

(b) Notwithstanding any other provision of law, all party states' licensing boards shall promptly report adverse actions, actions against multistate licensure privileges, any current significant investigative information yet to result in adverse action, denials of applications, and the reasons for such denials, to the coordinated licensure information system.

(c) Current significant investigative information shall be transmitted through the coordinated licensure information system only to party state licensing boards.

(2) Records required by the federal controlled substances act and ch. 961, Stats., shall be maintained at the location where the drug is received, manufactured, distributed or dispensed, and be available for inspection by authorized persons for at least 5 years from the date of such record. Financial and shipping records such as invoices and packing slips, but not executed order forms, may be kept at a central location. A complete and accurate biennial physical inventory of all schedule II, III, IV and V controlled substances pursuant to ss. [961.16](#), [961.18](#), [961.20](#) and [961.22](#), Stats., and ch. History: Cr. Register, January, 1983, No. 325, eff. 2-1-83; am. (3) (f), r. (4) (a) and (b), Register, August, 1991, No. 428, eff. 9-1-91; am. (1), (2) and (3) (e) 2., Register, December, 1998, No. 516, eff. 1-1-99; CR 06-052: am. (3) (f) Register October 2006 No. 610, eff. 11-1-06.

Phar 8.03 Filing prescription orders. (1) All controlled substance prescription orders shall be maintained on file, in chronological order, for a period of at least 5 years. The orders shall be readily accessible to enforcement personnel authorized by s. [961.51](#), Stats.

(2) Schedule II prescription orders may be filed separately from all other orders or they may be filed with those for schedule III, IV and V drugs provided all orders in the file for schedule III, IV and V drugs are stamped in red ink with the letter "C" one inch in height, in the lower right hand corner of the order. Under no circumstances may schedule II orders be filed together with those for non-controlled drugs.

(3) Schedule III, IV and V prescription orders may be filed with those for non-controlled drugs provided that orders for schedule III, IV and V drugs are stamped in red ink with the letter "C" one inch in height in the lower right hand corner of the order or orders for schedule III, IV and V substances may be filed separately. However, if a pharmacy employs an automated data processing system or other electronic recordkeeping system for prescription orders which permits identification by prescription order number and retrieval of original documents by prescriber's name, patient's name, drug dispensed, and date filled, then the requirement to mark the hard copy prescription order with a red "C" is waived.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83; am. (2) and (3), Register, August, 1991, No. 428, eff. 9-1-91; am. (1) and (3), Register, December, 1998, No. 516, eff. 1-1-99.

Phar 8.04 Purpose of issue of prescription order.

(1) Prescription orders for controlled substances shall be issued for a legitimate medical purpose by individual practitioners acting in the usual course of professional practice. Responsibility for the proper prescribing and dispensing of controlled substances is upon the prescribing practitioner, but a corresponding responsibility rests with the pharmacist who dispenses the prescription. An order purporting to be a prescription order not issued in the usual course of professional treatment or in legitimate and authorized research is not a prescription order within the meaning and intent

of ss. 450.01 (21) and 961.38, Stats. The person knowingly dispensing pursuant to such a purported order, as well as the person issuing it, shall be subject to the penalties provided for violation of the provision of law relating to controlled substances.

(2) A prescription order issued by a practitioner to obtain controlled substances for the purpose of general dispensing or administration to patients by the practitioner is not valid.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83; am. Register, August, 1991, No. 428, eff. 9-1-91; am. (1), Register, December, 1998, No. 516, eff. 1-1-99.

Phar 8.05 Dispensing. (1) All controlled substance prescription orders shall be dated as of, and signed on, the day issued and shall contain the full name and address of the patient, the drug name, strength, dosage form, quantity prescribed, directions for use and the name, address and registration number of the practitioner. Prescription orders shall be written with ink or indelible pencil or be typewritten and shall be signed by the practitioner. Orders for controlled substances may be issued only by individual practitioners who are authorized to prescribe controlled substances by the jurisdiction in which he or she is licensed to practice and registered or exempt from registration under the federal controlled substances act.

(2) A pharmacist may dispense a controlled substance listed in schedule II, III or IV only pursuant to a prescription order issued by an individual practitioner. The order shall be initialed and dated by the dispensing pharmacist as of the date the prescription is dispensed. If the person accepting the medication pursuant to any prescription order for a schedule II controlled substance, specified in s. 961.16, Stats., is not personally known to the pharmacist, there shall be written in ink, on the reverse side, the printed name, signature and address of the person.

(3) An individual practitioner may dispense directly a controlled substance listed in schedule II, III or IV provided that the prescription container is labeled and records are maintained in accordance with the requirements of this code.

(4) A prescription containing a controlled substance listed in schedule II may be dispensed only pursuant to a written order signed by the prescribing individual practitioner, except in emergency situations. A prescription for a controlled substance listed in schedule II may not be dispensed more than 60 days after the date of issue on the prescription order.

(7) A prescription order for a controlled substance may not be dispensed unless the prescription order contains all of the information required in sub. (1). For any controlled substance prescription order, a pharmacist may not add, modify or clarify the patient's name, the controlled substance prescribed, except for generic substitution as permitted by law, and the prescribing practitioner's signature. After consultation with the prescribing practitioner, a pharmacist may add, modify or clarify the strength, dosage form, quantity prescribed, date of issuance and directions for use for a schedule II controlled substance prescription order. For a schedule II controlled substance prescription order, a pharmacist may add, modify or clarify the registration number of the practitioner, and the address of the practitioner and the patient if that information is verifiable and retrievable from information maintained by the pharmacist or is obtained through consultation with the practitioner. A pharmacist may add, modify or clarify any information allowed in this subsection missing from a prescription order for a schedule III, IV or V controlled substance that is verifiable and retrievable from information maintained by the pharmacist or that is obtained through consultation with a practitioner. A patient may only provide information to a pharmacist to add, modify or clarify the patient's address. The prescription order shall be initialed and dated by the pharmacist and shall indicate the addition, modification or clarification of information and the manner by which the pharmacist obtained that information.

Phar 8.06 Renewing prescriptions. (1) No prescription containing a schedule II substance may be renewed.

(2) The prescribing practitioner may authorize renewals of schedule III or IV controlled substances on the original prescription order or through an electronic or oral renewal authorization transmitted to the pharmacist. The following conditions must be met:

(a) The pharmacist obtaining the electronic or oral authorization shall note on the prescription order, medication profile record or readily retrievable and uniformly maintained document the following information:

1. Date authorization is received.
2. Quantity of drug authorized.
3. Number of renewals.
4. Identification of practitioner authorizing the renewals if different from the original prescriber.
5. Identification of the pharmacist who received the authorization.

(b) The quantity of each renewal authorized is equal to or less than the quantity authorized for the initial dispensing of the original prescription.

(3) No prescription containing a controlled substance listed in schedule III or IV may be dispensed or renewed more than 6 months after the date on which the prescription order was issued and no prescription authorized to be renewed may be renewed more than 5 times.

(4) A prescription containing a drug listed in schedule V may be renewed only as expressly authorized by the practitioner.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83; renum. (2) and (3) to be (3) and (4) and am. (3), cr. (2), Register, August, 1991, No. 428, eff. 9-1-91; am. (2) (intro.) and (a) (intro.), Register, November, 1999, No. 527, eff. 12-1-99.

Phar 8.07 Partial dispensing. (1) A pharmacist may partially dispense a prescription containing a controlled substance listed in schedule III, IV and V.

(2) The partial dispensing of a prescription containing a controlled substance listed in schedule II is permissible, if the pharmacist is unable to supply the full quantity called for in a written or emergency electronic or oral prescription order, and the pharmacist makes a notation of the quantity supplied on the face of the written prescription order or written record of the emergency electronic or oral prescription order. The remaining portion of the prescription may be dispensed within 72 hours of the first partial dispensing. If the remaining portion is not dispensed within the 72 hour period, the pharmacist shall so notify the prescribing individual practitioner. No further quantity may be supplied beyond the 72 hours without a new prescription order.

(3) Prescription orders for schedule II controlled substances written for patients in long term care facilities (LTCF) or for patients with a medical diagnosis documenting a terminal illness may be dispensed in partial quantities to include individual dosage units. The prescribing practitioner may document a terminal illness by writing upon the face of the prescription order the phrase "terminal illness" or words of similar meaning. If there is any question whether a patient may be classified as having a terminal illness, the pharmacist shall contact the prescribing practitioner prior to partially dispensing the prescription. Documentation of a terminal illness, whether substantiated by the presence of an appropriate phrase written upon the face of the prescription order or through pharmacist contact with the prescribing practitioner, shall be placed within the individual medication profile record maintained under s. Phar 7.07. The pharmacist shall record on the prescription order whether the patient is "terminally ill" or an "LTCF patient." A prescription order that is partially dispensed and does not contain the notation "terminally ill" or "LTCF patient" shall be deemed to have been dispensed in violation of

this section. For each partial dispensing, the dispensing pharmacist shall record on the back of the prescription order or on another appropriate record, uniformly maintained and readily retrievable, the date of the partial dispensing, quantity dispensed, remaining quantity authorized to be dispensed and the identification of the dispensing pharmacist. Subsequent partial dispensing is not permitted under this section if the patient becomes deceased, or is no longer diagnosed as terminally ill, or no longer resides within an LTCF. The total quantity of a schedule II controlled substance dispensed by partial dispensing may not exceed the total quantity prescribed. Prescription orders for schedule II controlled substances for patients in an LTCF or patients with a medical diagnosis documenting a terminal illness shall be valid for a period not to exceed 60 days from the issue date unless terminated earlier by the discontinuance of medication.

(4) Information pertaining to current prescription orders for schedule II controlled substances for patients in an LTCF or for patients with a medical diagnosis documenting a terminal illness may be maintained in a computerized system if the system has the capability to permit:

(a) Display or printout of: the original prescription order designation; date of issue; identification of prescribing practitioner; identification of patient; name and address of the LTCF or name and address of the hospital or residence of the patient; identification of medication authorized, including dosage form, strength and quantity; listing of partial quantities that have been dispensed under each prescription order and the information required in sub. (3).

(b) Immediate (real time) updating of the prescription order record each time there is partial dispensing of the prescription.

(c) Retrieval of partially dispensed schedule II prescription information identical to that required by s. [Phar 7.05 \(2\)](#) for all prescription renewal information.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83; r. and recr. Register, August, 1991, No. 428, eff. 9-1-91; am. (3), (4) (intro.) and (a), r. (5), Register, September, 1994, No. 465, eff. 10-1-94; am. (2), Register, November, 1999, No. 527, eff. 12-1-99.

Phar 8.08 Labeling prescriptions. (1) The pharmacist dispensing a prescription containing a controlled substance shall affix to the immediate container a label showing the date of dispensing; the pharmacy name and address; serial number of the prescription; full name of the patient; name of the prescribing practitioner; directions for use; and cautionary statements, contained in the prescription order or required by law.

(2) Practitioners who personally dispense any controlled substance to patients in the course of their professional practice other than by prescribing or administering shall conform to ch. [Med 17](#), standards for dispensing drugs.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83; am. Register, August, 1991, No. 428, eff. 9-1-91.

Phar 8.09 Emergency dispensing. (1) For the purpose of authorizing an electronic or oral prescription order for a schedule II controlled substance, the term "emergency" means those situations in which the prescribing practitioner determines that:

(a) Immediate administration of the controlled substance is necessary for proper treatment of the patient.

(b) No appropriate alternative treatment is available, including the administration of a drug which is not a schedule II controlled substance.

(c) It is not reasonably possible for the prescribing practitioner to provide a written prescription order to be presented to the pharmacist prior to dispensing.

(2) In an emergency a pharmacist may dispense a controlled substance listed in schedule II upon receiving electronic or oral authorization of a practitioner if:

(a) The quantity prescribed and dispensed is limited to the amount adequate to treat the patient during the emergency period.

(b) The prescription order is immediately reduced to writing by the pharmacist and contains all information required in s. [Phar 8.05](#), except for the signature of the practitioner.

(3) If the practitioner is not known to the pharmacist, the pharmacist shall make a reasonable effort to determine that the electronic or oral authorization came from an authorized practitioner, which may include a call back to the prescribing practitioner using the practitioner's phone number as listed in the telephone directory and other good faith efforts to insure the practitioner's identity.

(4) Within 7 days after authorizing an emergency electronic or oral prescription order, the practitioner shall cause a written order for the emergency quantity prescribed to be delivered to the dispensing pharmacist. In addition to conforming to the requirements of s. [Phar 8.05](#), the order shall contain on its face "authorization for emergency dispensing" and the date of the electronic or oral order. The written order may be delivered to the pharmacist in person or by mail, but if delivered by mail it shall be postmarked within the 7 day period. Upon receipt, the dispensing pharmacist shall attach this prescription order to the electronic or oral emergency order reduced to writing under sub. (2) (b). The pharmacist shall notify the board or department of safety and professional services if the practitioner fails to deliver the written order. Failure of the pharmacist to provide notification shall void the authority conferred by this section to dispense without a written order of a practitioner.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83; am. Register, August, 1991, No. 428, eff. 9-1-91; am. (4), Register, December, 1998, No. 516, eff. 1-1-99; am. (1) (intro.), (2) (intro.), (3) and (4), Register, November, 1999, No. 527, eff. 12-1-99; correction in (4) made under s. [13.92 \(4\) \(b\) 6](#), Stats., Register February 2012 No. 674.

Phar 8.10 Disclosure of suspicious orders of controlled substances. Manufacturers and distributors of controlled substances shall disclose suspicious orders of controlled substances. Suspicious orders include, without limitation because of enumeration, orders of unusual size, orders deviating substantially from a normal pattern and orders of unusual frequency. The licensee shall notify the regional office of the DEA and the board of all suspicious orders.

History: Cr. Register, August, 1991, No. 428, eff. 9-1-91.

Phar 8.11 Controlled substances in emergency kits for long term care facilities. Long term care facilities which are not registered with the DEA shall meet all of the following requirements regarding emergency kits containing controlled substances:

(1) The source of supply must be a DEA registered hospital, pharmacy or practitioner.

(2) The pharmaceutical services committee of the facility shall establish security safeguards for each emergency kit stored in the LTCF which shall include the designation of individuals who may have access to the emergency kits and a specific limitation of the type and quantity of controlled substances permitted to be placed in each emergency kit.

(3) A pharmacist shall be responsible for proper control and accountability for such emergency kits within the LTCF which includes the requirement that the LTCF and the providing DEA registered hospital, pharmacy or practitioner maintain complete and accurate records of the controlled substances placed in the emergency kits, the disposition of those controlled substances, plus the requirement to take at least monthly physical inventories.

(4) The pharmaceutical services committee will establish the emergency medical conditions under which the controlled substances may be administered to patients in the LTCF which shall include the requirement that medication be administered by authorized personnel only as expressly authorized by an individ-

ual DEA registered practitioner and in compliance with all applicable federal and state laws.

(5) Noncompliance with this rule may result in revocation, denial or suspension of the privilege of having or placing emergency kits, containing controlled substances, in LTCF.

History: Cr. Register, August, 1991, No. 428, eff. 9-1-91.

Phar 8.12 Prescription orders transmitted by facsimile machine. (1) PRESCRIPTION DRUGS OTHER THAN SCHEDULE II CONTROLLED SUBSTANCES. A pharmacist may dispense a prescription drug, other than a schedule II controlled substance, pursuant to a prescription order transmitted by a facsimile machine from the practitioner or the practitioner's agent to the dispensing pharmacy if all of the following conditions are met:

(a) The transmitted facsimile prescription order shall contain all of the information required for a valid written prescription order. The order shall also contain the time and date of the transmission, as well as the telephone number and name of the transmitter.

(b) Unless the facsimile paper is non-fading, the facsimile prescription order received shall be duplicated by copy machine or other similar device and the copy must be physically attached to the order received.

(2) SCHEDULE II CONTROLLED SUBSTANCES. A pharmacist may not dispense a schedule II controlled substance pursuant to a prescription order transmitted by a facsimile machine unless all of the

conditions stated in sub. (1) are satisfied, and any of the following conditions are met:

(a) The prescription order is written for a schedule II controlled substance to be compounded for the direct administration to a patient by parenteral, intravenous, intramuscular, subcutaneous or intraspinal infusion, and is transmitted by the practitioner or the practitioner's agent to the dispensing pharmacy by facsimile.

(b) The prescription order is written for a schedule II controlled substance for a patient who resides in a long term care facility, or who meets the eligibility requirements for placement in a long term care facility but elects to reside at home, and is transmitted by the practitioner or the practitioner's agent to the dispensing pharmacy by facsimile.

(c) The prescription order is written for a schedule II controlled substance for a patient enrolled in a hospice certified by medicare under Title XVIII or licensed by this state, and is transmitted by the practitioner or the practitioner's agent to the dispensing pharmacy by facsimile.

(3) PRESCRIPTION ORDERS TRANSMITTED BY FACSIMILE CONSIDERED WRITTEN ORDERS. For all purposes under chs. 450 and 961, Stats., and the rules of the board, a prescription order transmitted by facsimile machine shall be considered the original written prescription order.

Note: Chapter RL 7 was renumbered chapter SPS 7 under s. 13.92 (4) (b) 1., Stats., Register November 2011 No. 671

SPS 7.01 Authority and intent. (1) The rules in this chapter are adopted pursuant to authority in ss. 15.08 (5) (b), 51.30, 146.82, 227.11 and 440.03, Stats.

(2) The intent of the department in adopting rules in this chapter is to protect the public from credential holders who are impaired by reason of their abuse of alcohol or other drugs by promoting early identification of chemically dependent professionals and encouraging rehabilitation. This goal will be advanced by providing an option that may be used in conjunction with the formal disciplinary process for qualified credential holders committed to their own recovery. This procedure is intended to apply when allegations are made that a credential holder has practiced a profession while impaired by alcohol or other drugs or whose ability to practice is impaired by alcohol or other drugs or when a credential holder contacts the department and requests to participate in the procedure. It may be used in conjunction with the formal disciplinary process in situations where allegations exist that a credential holder has committed misconduct, negligence or violations of law, other than practice while impaired by alcohol or other drugs. The procedure may then be utilized to promote early identification of chemically dependent professionals and encourage their rehabilitation. Finally, the department's procedure does not seek to diminish the prosecution of serious violations but rather it attempts to address the problem of alcohol and other drug abuse within the enforcement jurisdiction of the department.

(3) In administering this program, the department intends to encourage board members to share professional expertise so that all boards in the department have access to a range of professional expertise to handle problems involving impaired professionals.

(2) A credential holder who has been referred to the procedure and considered for eligibility shall be provided with an application for participation.

(3) All informal complaints involving allegations of impairment due to alcohol or chemical dependency shall be screened and investigated pursuant to s. SPS 2.035. After investigation, informal complaints involving impairment may be referred to the procedure along with a summary of the investigative results in the form of a draft statement of conduct to be used as a basis for the statement of conduct under s. SPS 7.05 (1) (a) and considered for eligibility for the procedure or for formal disciplinary proceedings under ch. SPS 2. (7) A credential holder determined to be ineligible for the procedure by the board liaison or the department may, within 10 days of notice of the determination, request the credentialing authority to review the adverse determination.

(1), that a credential holder participating in the procedure has failed to meet any of the requirements set under sub. (1), the board liaison may refer the credential holder to the division. A failure to maintain abstinence is considered a relapse and shall be reviewed by the board liaison to determine whether the credential holder should be referred to the division.
